Supervisors Meeting.

The monthly meeting of the County Board of Supervisors for the month of June was held last week but for want of space we were compelled to omit what transpired there until this week.

As there was no quorum present on the 12th instant the meeting was adjourned until the following day at which time a quorum was present.

As Chairman Henning and S. E. Kahe were not present the rules were suspended and the matter of claims were taken up.

The Clerk was instructed to call for bids from the Stables for hack rates to and from different points for doing all County work.

Judge W. A. McKay came before the Board and asked permission to present certain matters requested of him as a Committee of one from the Wailuku District Improvement Association. The first of which was urgent need of Pounds and Pound Masters. The second was the matter of street lamps. The Chairman stated that the lamps had been ordered and would be placed as soon as received. The matter of pounds was taken up later during the session.

The Clerk was instructed to return the pay roll for Molokai as it was not properly signed by all of the laborers. The Road Overseer there was requested to revise the rate per diem and make the same \$1.25. He was further informed that there are no further funds for work during the month of June.

A claim of H. Hackfeld was returned as the same was not itemized.

The Clerk was requested to notify all physicians in the County to have their claims for the examination of the insane properly indorsed by the District Magistrate. The Sheriff and Deputy Sheriffs and District Magistrates were notified of the same ruling.

The bill of the Superintendent of Public Works for rent of the County Offices was returned as the bill called for one month more rent than was due.

On the 14th all of the members of the Board were present.

Pounds were created and Pound masters were appointed for all of the districts.

The County Attorney was requested to draw up ordinance authorizing the opening of the new road at Pa-hi and closing of the old road.

A verbal report was made by County Engineer Howell on the number of gates across certain roads and trails. He said that persons objected to the gate across the road near Kanaiki. There are three gates across trails on the Kahikini road but that no objection had been made to them and that further that the same had been authorized by the Superintendent of Public Works. There is one at Makamakaole that objection was made to on account of the same not being made to swing properly. There is one at Kanaika-kai and one at Kakaie but that no objection was made to either of them. He recommended that the ditch below Market street on Main be piped in case the County Attorney believed the same could be legally done.

The Clerk was instructed to write the acting Governor to expedite the expenditure of the appropriation for the Circuit Court and County Building. The Clerk was instructed to write the County Attorney whether the fire station was included in the transfer of fire stations to the various County Boards.

The Clerk was requested to consult the County as to Pounds and Pound masters.
